**Road Worker V (Licensed Mechanic)
Permanent, Full-time**

The County of Middlesex is a vibrant upper-tier municipality located in Southwestern Ontario. We offer a thriving business climate, easy access to transportation routes, and quality of life. Middlesex County offers residents easy commutes, safe communities, a diverse economy, exceptional healthcare facilities, affordable housing, diverse educational opportunities and bountiful recreation and cultural choices in a picturesque setting.

The County's administration headquarters are located in London but Middlesex County is comprised of unique villages, towns and rural communities that have great attractions for residents and tourists.

Overview of the Position

The Road Worker V (Licensed Mechanic) maintains and repairs County vehicles and equipment; performs safety checks on dump vehicles; assesses repair costs; installs snow removal equipment; fabricates components; and provides guidance to equipment operators in the maintenance and repair of equipment.

- Performs mechanical fitness checks on all County dump vehicles in conformance with the County's Motor Vehicle Inspection Station Licence, and makes repairs as required.
- In conjunction with the General Superintendent and Shop Foreman reviews the cost effectiveness of in-house vs contract repairs and assist with specifications of new equipment.
- Performs non-warranty repairs on graders, backhoes, front end loaders, dump vehicles, trucks, pick-ups, pumps, sand boxes, gravel stackers, trailers, etc.
- Adapts, rebuilds, installs, and removes County snow removal and ice control equipment.
- Maintains, repairs and installs hydraulic systems and where required, fabricates and installs hydraulic systems to suit road construction and maintenance needs.
- Installs and repairs safety light systems on all County vehicles.
- Fabricates steel components for road construction and maintenance requirements, such as culvert modifications, catch basin frame and grates, CSP rat traps, non-structural bridge repairs, hitches, and repairs and strengthens plough equipment.
- Performs diagnostic testing on vehicles.
- Other duties as assigned.

Minimum Job Qualifications:

- Grade 12 education
- Heavy Equipment License (310T) is required.
- 3 to 5 years' previous experience as a licensed mechanic.
- AZ license required with clean driver's abstract.
- Required to supply mechanics tools. Replacements and repairs are reimbursed by the County.

- Knowledge of hydraulics and heavy equipment.
- Capable of operating all County machinery.

A full job description is available at www.middlesex.ca.
