

**London-Middlesex Long Term Care Homes
Collaborative Emergency Shelter Plan**

- Purpose:** To provide a summary of resources available and 24-hour contact for decision makers at all London-Middlesex Long Term Care Homes in the event that any Long-Term Care Home needs emergency shelter for its residents.
- Scope:** This is a mutual agreement between the *evacuating home* and the *receiving home* to provide assistance in the event an evacuation of either location is required.

Please note: Each resident's original "home" is ultimately responsible for ensuring appropriate care and services for those residents remaining under the care of said LTC home, regardless of the resident's relocation status during a disaster. All costs incurred for care and services provided are the responsibility of the resident's "home".

Responsibilities of the *Evacuating Home* include, but are not limited to:

- Ensure appropriate care and services for the resident(s)
- Promptly notify the receiving home of the potential to evacuate
- Promptly notify the receiving home when the decision to evacuate has been made
- Evacuate residents, utilizing own resources, to the receiving home
- Supplement the receiving home's staff
- Make arrangements with external providers to provide the following items as quickly as possible:
 - Resident medications and medication storage unit
 - Medical supplies and equipment
 - Food and water
 - Medical Records
 - Blankets as needed
 - Staff

Responsibilities of the *Receiving Home* include, but are not limited to:

- Provide a person of contact upon notification of imminent evacuation.
- Receive residents and direct to area where they will be sheltered.
- Coordinate appropriate use of medical supplies and services.
- Integrate evacuating home's staff into resident care planning
- Integrate evacuating home's Kitchen staff.
- Provide dietary needs using food supplies from evacuating home.

In the event of a disaster or other emergency that damages both homes, the senior management of both locations, in collaboration with local emergency response supports, determine to what extent each home may be able to assist the other.

This agreement will be automatically renewed on January 31st of each year, without action by the participating homes who have consented to participate in the Shelter Agreement. Any home may terminate this agreement with a thirty (30) day written notice".
