

IT'S TIME...

To learn more about the **Middlesex County Cycling Strategy** and help us shape the strategy by providing your input!

MIDDLESEX COUNTY | CYCLING STRATEGY

NOTICE OF PUBLIC OPEN HOUSE #1

In March 2017, Middlesex County retained WSP Canada Group Ltd. to work with County and local municipal staff in the development of the Cycling Strategy which will address the planning, design, implementation, operation and maintenance of cycling routes, facilities and programs over the short, medium and long-term. The Cycling Strategy will:

- 1 Create a plan for a connected and continuous system of cycling routes
- 2 Establish a network that makes cycling more convenient and enjoyable for people of all ages and abilities
- 3 Enhance Middlesex as a destination for cycling while creating more healthy and sustainable communities
- 4 Create solutions that are specific to Middlesex County which complement ongoing initiatives

Middlesex County in partnership with the local area municipalities and the consultant team have explored the current cycling conditions within the County, areas of improvement and opportunities to make the County more cycling-friendly. Now we need your input and your help! We will be hosting two public open houses both held on **June 29th, 2017** between **6:30 p.m.** and **8:30 p.m.** They will be drop-in style sessions where you will be able to review potential cycling routes which will be explored throughout the County and speak with members of the study team about cycling improvements and enhancements. The following is more detailed information about the location of these sessions.

Open House Venue #1	Open House Venue #2
Strathroy Library 34 Frank Street Strathroy, ON N7G 2R4	Dorchester Library 2123 Dorchester Road Dorchester, ON N0L 1G2
