

Join our team as a:
Planning & GIS Technician

The County of Middlesex is a vibrant upper-tier municipality located in Southwestern Ontario. We offer a thriving business climate, easy access to transportation routes, and quality of life. When the work is done, Middlesex County offers residents easy commutes, safe communities, a diverse economy, exceptional healthcare facilities, affordable housing, diverse educational opportunities and bountiful recreation and cultural choices in a picturesque setting.

The County's administration headquarters are located in London but Middlesex County is comprised of unique villages, towns and rural communities that have great attractions for residents and tourists.

Overview of the Position

Reporting to the Director of Planning, the Planning & GIS Technician will play a key role in supporting the Planning Department's core functions of County Planning, Local Planning, Forestry, and Mapping. The Technician's primary responsibilities will be to work with the County's Geographic Information System to develop and maintain web-GIS applications, create and maintain spatial data, complete data analysis and manipulation, produce mapping products, and to assist County departments and local municipalities with GIS related tasks. The County utilizes a variety of GIS and Mapping software systems including ArcMap, ArcServer, ArcGIS Online, Geocortex, and AutoCAD.
