AMBULANCE

Emergency Transport - Call 911

Some basic emergency services may continue to be provided by Middlesex/London EMS ambulance personnel.

Patient Transfer Service (Voyageur)

For resident requiring stretcher or wheelchair transport, book in the usual manner.

Expect delays due to high demand for service during strike period.

Lodge Bus (for transport to Strathroy Hospital only)

Availability of the bus depends on staff schedules

Family Vehicle or Taxi Service

Can be used where stretcher or wheelchair transport is not required [resident can transfer by self or with assistance of family].
