

EMERGENCY PLANS MANUAL

Policy No.: FEC 001
Date Issued: October, 2014
Revised: June, 2015, May 2022
Issued by: Environmental Services Manager
Approved by: Administrator

CHEMICAL SPILL PLAN

In the event of a major external disaster [e.g. chemical spill] the emergency color code is "ORANGE" **ORANGE**.

See Policy on Community Disaster

PROCEDURE:

In the event of a chemical spill that could negatively impact the operation of the Lodge:

- 1 Follow instructions from municipal emergency officials/fire chief
- 2 Inform Maintenance staff
- 3 Shut off fans
- 4 Close all windows and lock all exterior doors
- 5 Keep residents, staff and visitors inside until otherwise notified
- 6 Restrict access to building to emergency officials until otherwise notified
- 7 Advise Administrator or alternate of situation. He/she will inform the Ministry of Long Term Care and County CAO.
- 8 Keep residents calm
- 9 Initiate Evacuation Plan only on instructions of emergency officials
