Child and Family Centre

## Connecting, Learning & Growing with Infants

### Homemade Face Paint

Great for all ages! Would suggest on younger children to paint on lower arm as opposed to face or hand.

#### Recipe:

½ cup of cold cream or hand lotion

2 tbsp. of corn starch

Mix together to get right consistency not too thick or it won't dry quickly. If too thick, you can water down with drops of water.

Put dollops on a dinner plate and add food coloring to each.

Paint something your child will recognize.

Follow us on Facebook @EarlyONMiddlesex for regular updates.

We hope the ideas we provide over the next few weeks will help you and your family continue to connect, learn and grow together!

You can find downloadable copies of all our Connecting, Learning & Growing Together tip sheets at
