## Connecting, Learning & Growing with Infants

### Learning my Name!

Place an interesting family or pet photo in a zippered bag and tape on the floor or wall where your child plays or crawls. Ensure it is well-taped down, with no corners free.

When your child goes near the photo, point to it and say the name of the item.  
Repeat each time they crawl by.

A variation is to choose pictures of your child, and when you name the photo, point to the child.  
A fun way to learn their name!
