

# Play, Learn & Grow Program Descriptions

**Infant Massage** – This class will give you the tools and information you need to communicate with your baby through loving touch

**Make the Connection - (0-12 months)** This program provides opportunities to promote attachment between parent and child, through a variety of activities. We ask for a commitment to attend all sessions

**Cooking with Kids** – Join us for a fun learning experience with making your own food item to eat or take home. Together we will practice many early literacy and numeracy skills and fine motor skills while we stir, cut, and create

**Exploring Science** – Join us as the children experience the wonder of science while trying new skills and finding out about the world around them

**Movin' and Groovin'** – Join us for a fun and interactive music program where we will learn new songs, play with instruments, and find ways to move our bodies

**Baby Wearing Dance** – You've seen the baby wearing dance classes and flash mobs videos online, now you can dance with your baby too! Join us for Baby and Me Baby Wearing Dance to get moving, bond with your baby, and meet other local moms. Bring your baby and your favorite wrap or carrier.

**Storytime with the Librarian** – Our local librarians will visit each location to meet all of our families and share a together time experience with us. For more information on Middlesex County Library visit <https://library.middlesex.ca>

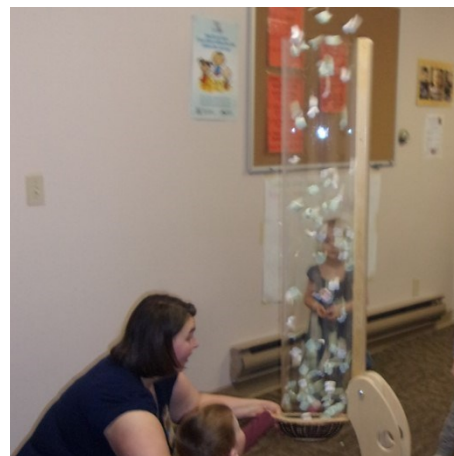

**Healthy Start Infant Drop-In** – Speak to a public health nurse about your baby. For more information visit <https://www.healthunit.com>

**Play & Learn** – is a drop in program full of activities for children 0-6 years and their parent/caregiver. Learn and have fun together with your child exploring a variety of creative opportunities for learning through exploration, play and inquiry. This program uses a play based learning approach

**Baby Time** – a drop in for babies 0-12 months and their parent/caregiver. Siblings are welcome. Meet other parents and share in parenting topics, brain games, singing and together time with your children

**Child Car Seat Presentation** - Join a Public Health Nurse and learn about how to use and install children's car seats.

**For more information visit [www.middlesex.ca/earlyon](http://www.middlesex.ca/earlyon).**
